

# 4TH EUROPEAN CONFERENCE FOR SOCIAL WORK RESEARCH

Bozen/Bolzano 15 - 16 - 17 April 2014

**Name: Anne Parpan-Blaser**

Title: Service user studies with hard to reach groups (e.g. clients with language barriers, people with a cognitive impairment, sans-papiers)

Brief description and goals: Research on and with clients "place the person at the center of the activity" (Powell/Ramos 2010). What methodological challenges are linked to service user studies? How can they be tackled?

Exchange on

- experiences with reaching, sampling and survey
- participatory research
- methodological choices and notes
