

4TH EUROPEAN CONFERENCE FOR SOCIAL WORK RESEARCH

Bozen/Bolzano 15 - 16 - 17 April 2014

Mirja Satka 'Social Work Practice Research'

SIG for Social Work Practice Research aims to strengthen possibilities for knowledge-based social work practice throughout Europe. This SIG offers opportunity to promote cross-national practice-based research projects as well as scholarly debates and knowledge exchange among the various research interested stakeholders in social work practice. It is developing e.g. innovative research methods and methodologies, thoughtful research ethic, and cross-disciplinary approaches for cross-national practice based social work research.
